2010 APPLICATION, GENERAL INFORMATION, AND FORMS

Greetings from the Epworth Center!

We are pleased that you have decided to participate in the SOWER Work Mission!

Enclosed are the necessary forms to ensure that your work experience is safe, enjoyable and productive. In addition to the legal paperwork, we have included some helpful information such as what to bring, area attractions, and a t-shirt order form. Please make copies of these forms as needed. Also, each form is available to download from our website.

We expect that even now you are preparing your hearts and minds for your time at the Epworth Center. We pray that you come as servants, willing to be used in any way that will aid the project and client. Our hope is that you grow in your relationship with one another and the clients you serve, and that your relationship with Jesus Christ will deepen.

Visit our website to "choose your work project." We have pictures and information available online about each SOWER project. We also have tips for planning work mission trips and a devotional guide available on our website.

Remember, we at the Epworth Center are here to help you in your SOWER experience. If you have any questions, please don't hesitate to contact us.
