

Project #12: Paint roof, paint underpinning and replace porch

David and Peg need their roof and skirting painted. They also need their 8 x 16 porch replaced. There is also some yard work and stump removal to be completed. They are unable to do any of the work themselves as they are in their 70s. David was a truck driver and he has arthritis. Peg has emphysema and is retired from working in the nursing home. This delightful couple will celebrate their 55th wedding anniversary in May.

Skills needed: construction, roofing, painting, yard work
